

JORGS ARK REHABS

"Anchored to Restore Life"

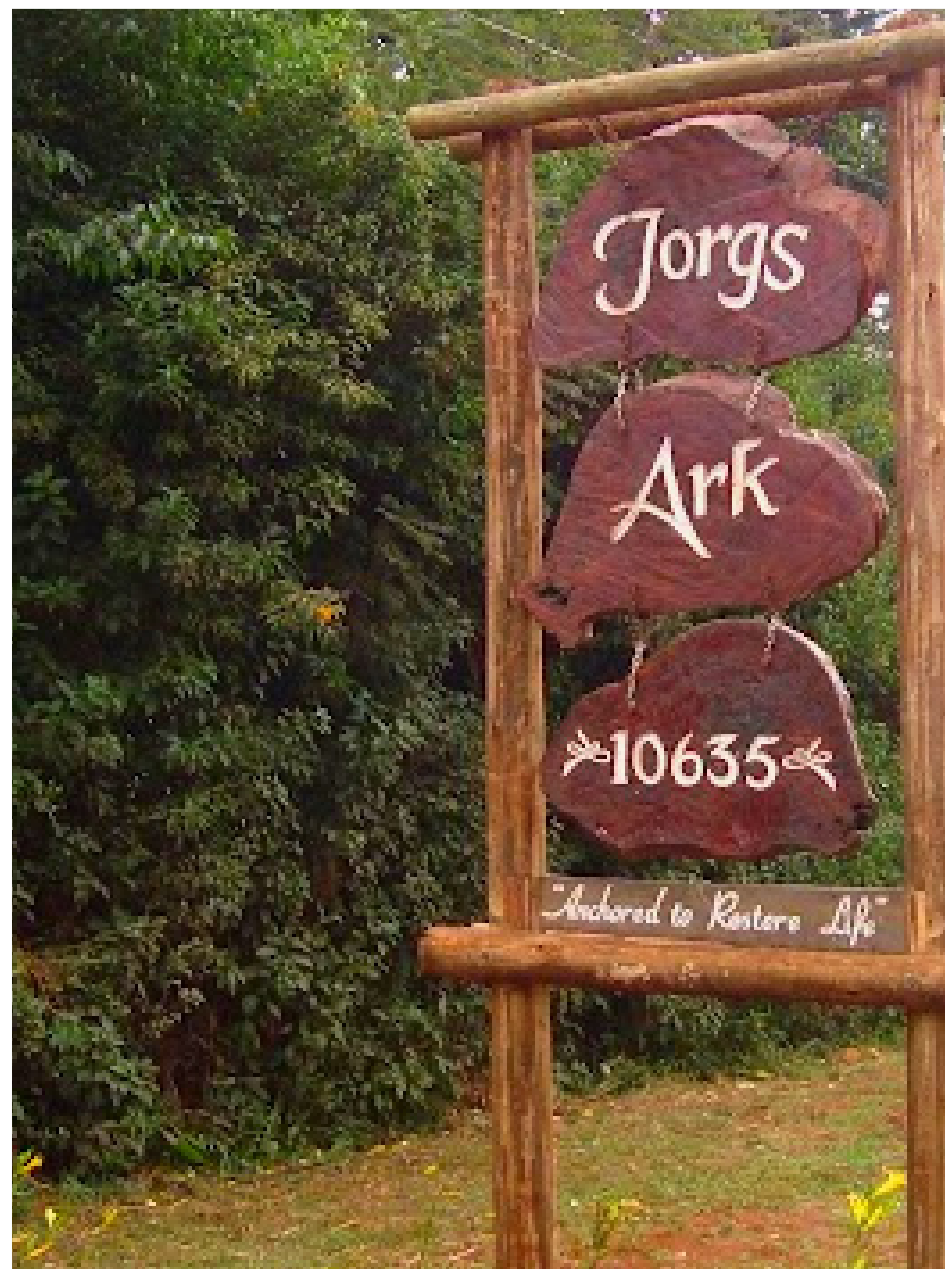

INTRODUCTION

Jorgs Rehabilitation Centres are chemical dependence treatment and rehabilitation centres funded and run by Jorgs Trust, a charitable organization registered in Kenya in the year 2004.

We opened our first centre, Jorgs Ark, during 2005 in the serene area of Tigoni and haven't looked back since. All of our facilities are accredited by NaCADA, the Kenyan regulatory body on addiction services, and licenced by the Ministry of Health through the Medical and Practitioners & Dentists Council of Kenya.

Jorgs Ark Centre - Tigoni

The Centre was started in 2005 by Jorgs Ark Trust members who are recovering alcoholics with the aim of assisting other people going through addiction.

It is an in-patient facility that follows a drug free communal program based on the renowned AA/NA Twelve steps program, with emphasis on group therapy and individualized psychotherapy

Jorgs Ark Centre has a bed capacity of 40 patients at any particular time and has so far treated over 1500 patients with a 60% success rate.

Harm Reduction Centre - Migaa, Kiambu

This centre was opened in 2016 and is operated and partly managed by some of the same capable staff at Jorgs Ark, Tigoni.

The facility runs a flexible, **private, individualized** program focused on reducing the harms associated with Alcohol & Drug Abuse in a comfortable environment.

It has a bed capacity of 15 patients and clients are allowed to bring in electronics that they may need to conduct their business during treatment

**TEMPORARILY

PERSONAL EFFECTS

Voluntary Clients

We admit clients at any time on any day of the week provided the addict can be availed at one of our centres. It is only through the first step of coming to rehab that you can start the process of addiction treatment. **It is time to get help.**

Unwilling Clients

For unwilling clients we work closely with a dedicated team of former addicts who have helped many families to get their loved ones to rehabilitation through their intervention program for involuntary admissions.

TREATMENT FEES

ADMISSION - **KSHS 8,550** (paid once)
MONTHLY - **KSHS 85,100**

One aspect of the treatment experience is the cost and financial obligation that accompany a prolonged residential substance abuse program. Outlined here are the expenses and payment options available for the stay at Jorgs Ark Centre.
